VICLEAN-APP

The app for your ViClean-I 100 shower toilet from Villeroy & Boch

The ViClean-App is the easy and convenient way to operate your ViClean-I 100 shower toilet. The app features a remote control function and various setting options. The available settings are: Setting of temperature, shower spray modes, nozzle position and jet pressure. The gender-specific user interfaces help you to control the options which are relevant for you.

Additional advantages of the app

+ Adjustable temperature settings
+ "HarmonicWave" and pulsating jet can be selected simultaneously
+ Separate gender settings and gender-specific interfaces
+ Very simple and intuitive to use via touchscreen

Personal user profile with automatic save function

+ Your personal settings can be stored in user profiles for retrieval at any time
+ You can further individualise these profiles by saving them under your name, for example

Other options available via the "Settings" menu

+ Select the toilet under "Devices"
+ Select "Nozzle Manual Cleaning" function to manually clean the nozzle or replace the nozzle head
+ Switch sound on or off

Availability of the app

+ The app is called "ViClean" and can be downloaded from the Play Store or App Store
